Cancellation, No show and Late arrival policy

In an effort to maximize the time your physician spends with you and minimize your wait time, we have made changes to our No-Show, Cancellation, and Late Arrival Policies as follows:

No-Show Policy and Cancellation Policy

Effective January 1, 2017, we will implement a “no-show” policy, which will affect all patients who do not keep their scheduled appointment or who cancel an appointment with less than a 24-hour notice.

- First occurrence – Patient will receive a warning letter advising of our policy.
- Second occurrence – Patient will receive a 2nd letter and a \$25.00 no show fee
- Third and subsequent occurrences – May result in dismissal from practice and additional \$25 no show fee

The Cancellation and No Show fees are the sole responsibility of the patient and must be paid in full before the patient’s next appointment. It is the patient’s responsibility to remember their scheduled appointment; reminders for appointments are done as a courtesy.

Late Arrival Policy

Patients arriving more than 20 minutes late for a scheduled visit or new patient visit appointment will be rescheduled for another day.

We understand that certain circumstances may cause you to cancel in less than 24 hours. If this is the case, please contact our office as soon as possible. Fees in this instance may be waived but only with management approval. Our practice firmly believes a good physician-patient relationship is based upon understanding and good communication. Questions about cancellation and no show fees should be directed to management.

Please sign below that you have read, understand, and agree to this policy.
